

CUSTOM HAND-CARVED CENTER TABLE WITH BLACK STONE TOP, BY HENDRIX ALLARDYCE

TAB-014

Hand-carved Javanese center table designed by Hendrix Allardyce, a prominent Interior Design firm in West Beverly Hills, CA. Beautifully crafted, it's more than furniture, it's a piece of art – a beautiful statement piece or focal point for your home. A solid chunky raw-wood carved base and honed-granite top. Its casual sophisticated allure pulls you in, the more you look, the more there is to love and appreciate. As a Curator and Interior Designer, these are the timeless qualities I seek – knowing it will transcend time, always in style, never trendy. A treasured find for collectors and interior design enthusiasts of unique and one-of-a-kind pieces.

Note - dimensions appear ideal for a dining table, it's not recommended as the top does not extend over the base far enough to make it suitable. It's a perfect center table or side table.
