

VINTAGE HAND-PAINTED DESK CHAIR

CHA-020

Vintage desk or side chair with hand-painted English motifs and architectural details! The seat cushion is newly re-covered with a jacquard velvet designer textile by Romo called "Romita Autumn," making it one-of-a-kind! Romita Autumn has a rich earthy palette of gold-bronze and charcoal hues. The abstract geometric design is inspired by natural rock formations. The chair's rather petite in scale, making it easy to place and move around. Fairly lightweight, solid and sturdy. Most of all, the level of thoughtful, artistic, architectural detailing is eye candy for design enthusiasts!
