

LARGE ANTIQUE BRASS JARDINIÈRE WITH IRON MOTIFS AND RING HANDLES

VES-009

Antique brass animal-footed jardinière with lion motifs and ring handles. The brass is tarnished and hammered with a light circular pattern that beautifully reflects sunlight. It's large, and big enough to hold small tree plants, both indoors and outside. It's fun to put unexpected accessories like this in cabanas and courtyards. It could be used to hold fire logs or store wrapping paper (upright), it's very versatile and functional. The style is neoclassical French, traditional and timeless, always in style and easy to place. As a Curator and Interior Designer, these are the timeless qualities I seek – knowing it will transcend time, always in style, never trendy.
