

LARGE SCULPTURED HAND-CARVED WHITE TERRACOTTA-CLAY POTTERY VESSEL

VES-004

Large, old world terracotta vessel, with a graceful, tapered body, wide flared mouth, and sculpted handles! The vessel was refinished, exclusively for THE TASTEMAKER SHOPPE in a custom matte paint-wax finish - elevating its rich texture, making it feel fresh and more modern. The new finish maintains a weathered look, reminiscent of ancient pottery. The subtle variations in tone and texture pull you in, the more you look, the more there is to love and appreciate. Whether displayed as a standalone decorative element or grouped with other vessels, its organic, handcrafted aesthetic makes it a unique addition to your collection. As a Curator and Interior Designer, these are the timeless, design qualities I seek - knowing they will transcend time, always in style, never trendy. A treasured find for collectors and enthusiasts of unique and one-of-a-kind pieces.

We know, it's hard to find, one-of-a-kind pieces! Shop our listings for new inventory, curated from an Interior Architect and Designer's POV. THE TASTEMAKER SHOPPE offers an exclusive mix of *'new & old'* furnishings, founded solely on *good taste*, not limited by *any style or era*.
