

ANTIQUÉ MADELEINE CASTAING STYLE ENGLISH-NEOCLASSICAL JAPANNED LACQUER MIRROR

MIR-001

An antique 18th Century "Madeleine Castaing" style English-Neoclassical Japanned-lacquer mirror, a rare and beautiful artistic piece with original antique glass panels. Hand-crafted Rocco-style wood frame with artisan painted figures and landscape scenes, each telling a story of its own. Japanning is a type of heavy black lacquer, similar to enamel being a protective top coat. This mirror is a rare one-of-a-kind piece that brings traditional high-style to your home. As a Curator and Interior Designer, these are the timeless qualities I seek – knowing it will transcend time, always in style, never trendy. A treasured find for collectors and interior design enthusiasts of unique and one-of-a-kind pieces.
