

BRONZE BUST TABLE LAMP

LAM-003

Mid-Century bronze bust lamp on marble base with architectural etchings, and black oval shade with champagne-foil lining that casts a soft glow over the bust. Please note, the marble base has a discreet chip on the backside (see photo), which doesn't affect the integrity of the lamp. A great find for interior design enthusiasts seeking unique and one-of-a-kind lamps.

We know it's hard to find one-of-a-kind pieces! Shop our listings for new inventory curated from an Interior Architect and Designer's POV. THE TASTEMAKER SHOPPE offers an exclusive mix of furnishings founded solely on good taste, not limited by any style or era!
