

LARGE MID-CENTURY GLASS TILE MOSAIC MIRROR

MIR-003

A large round mirror framed in glass mosaic tiles, blending classic Italian hues of yellow, black, and burgundy. It has Mid-Century Art-Deco elements, a timeless and classic style making it easy to place in your home. Having a Mediterranean element – it would be fabulous and unexpected hung in an outdoor (covered) cabana! The thick chunky beveled frame creates a great focal point. As a Curator and Interior Designer, these are the timeless qualities I seek – knowing it will transcend time, always in style, never trendy. A treasured find for collectors and interior design enthusiasts of one-of-a-kind pieces that bring unique style and personality to your home.
