

BEAUTIFUL, OLD WORLD MARBLE VASE

VES-008

A handsome marble vase with greige-toned patterns. The perfect accessory for tricky areas like kitchens (especially islands), fireplaces, dining tables, outdoor areas, even bathrooms; a forever piece that's versatile and easy to place in your home. Traditional in style and shape, the dark palette is sleek and more modern. Very heavy and solid with a shallow interior inset. As a Curator and Interior Designer, these are the timeless qualities I seek – knowing it will transcend time, always in style, never trendy. A treasured find interior design enthusiasts of unique and one-of-a-kind pieces.
