

PAIR OF ROMAN NEOCLASSICAL GILT & BRONZE CANDLE SCONCES WITH ARROW MOTIF

WAL-005

Fabulous pair of candle sconces with Neoclassical elements, handcrafted with a gilt and patinated bronze finish. The design features an arrow in the manner of Gio Ponti and Tomaso Buzzi surrealist arrow motifs. Backplates have stylish depictions of Greek or Roman soldier profiles and a ram's head, symbolizing strength and determination. Much like sconces, they add symmetry and balance without the need for electricity. These sconces are rare, one-of-a-kind works of art, perfect for collectors! Their chic allure pair pulls you in, the more you look, the more there is to love and appreciate. As a Curator and Interior Designer, these are the timeless qualities I seek – knowing it will transcend time, always in style, never trendy. A treasured find for collectors and enthusiasts of unique and one-of-a-kind pieces.
