

SPANISH STYLE HAND-FORGED HAMMERED IRON FIREPLACE GRATE

OBJ-017

Charming Santa Barbara-style iron fireplace grate with a hammered texture. Solid hand-forged heavy-weight iron grate with tapered legs and soft scrolls formed and bent into shape by a blacksmith with a dark black-bronze finish. Detailed side railing or iron straps held together by chunky Spanish clavos (aka nail heads.) Believed to date back to the late 1800s, it brings authentic old-world elegance to your fireplace or fire pit. Ideal and suitable for both interior and exterior fireplaces. Its rustic, yet refined craftsmanship pulls you in, the more you look, the more there is to love and appreciate. A great find for collectors and interior design enthusiasts of unique and one-of-a-kind pieces.
