

LARGE TRADITIONAL NEOCLASSICAL-STYLE MIRROR, MADE IN ITALY

MIR-006

A beautiful Neoclassical-style mirror, hand-crafted in Italy. The large frame is masculine and elegant with chunky stacked mouldings enhanced by a bold contrasting black and antique-gold palette, making it a strong focal point for most interior spaces. It's timeless and versatile enough to be placed in almost any interior from traditional to modern minimalism. As a Curator and Interior Designer, these are the timeless qualities I seek – knowing it will transcend time, always in style, never trendy. A treasured find for interior design enthusiasts of unique and one-of-a-kind pieces.
