

MID-CENTURY MIRROR WITH OPEN TWIST BRAIDED WOOD AND BRASS INLAY, MADE IN ITALY

MIR-005

Mid-Century mirror, hand-crafted with open-twist braided carvings intertwined with a subtle aged-brass pole inlay, made in Italy. A great palette, bleached wood with a natural patina and tarnished-brass accents. A refined old-world aesthetic that complements a variety of interior styles from traditional to modern minimalism. Casual and elevated, it's more than a mirror, it's a unique beautiful piece of hand-crafted Italian art. As a Curator and Interior Designer, these are the timeless, design qualities I seek – knowing they will transcend time, always in style, never trendy. A treasured find for collectors and interior design enthusiasts!
