

## PAIR OF REGENCY-STYLE ART-DECO FORGED IRON PEDESTAL STANDS WITH GREEK KEYS

PED-003

A chic pair of Regency-style Art Deco pedestals stands. The hand-forged cylindrical iron silhouettes and Greek keys have slight yet charming irregularities - an element one would expect from a piece that's hand-made. A combination of Mid-Century geometric lines and Regency Greek keys in black-and-gold palette captures the spirit of Art Deco glam—stylish, dramatic and alluring! These hand-forged pedestals are sculptural focal points blending high-style and artistic form. Perfect for your entry or any space needing a bit of glamour and curiosity! Heavy-duty, they can support weighted objects. As a Curator and Interior Designer, these are the timeless qualities I seek - knowing it will transcend time, always in style, never trendy. A treasured find for collectors and interior design enthusiasts of unique and one-of-a-kind pieces.
