

VINTAGE WILLY DARO STYLE AGATE LAMP, MADE IN BELGIUM

LAM-001

A handsome vintage Willy Daro-style lamp with an agate stone focal point - Daro's signature aesthetic. Anchored by a sculptured black tiered Art-Deco plinth with brass accents. Topped with a wide rectangular silk shade, delicately curved, and textured to diffuse light beautifully while illuminating the base. The natural beauty of the agate pulls you in, the more you look, the more there is to love and appreciate. A chic and one-of-a-kind statement lamp! Made in Belgium, this lamp was professionally re-wired for THE TASTEMAKER SHOPPE making it compatible with US standard outlets. As a Curator and Interior Designer, these are the classic, timeless qualities I seek - knowing it will transcend time, always in style, never trendy. A treasured find for collectors and enthusiasts of unique and one-of-a-kind pieces.
