

## CAST STONE RAM'S BUST OR HEAD SCULPTURE

OBJ-010

A handsome mid-century style cast-stone Ram's head bust or statue made with great attention to artistic detail. It's glamorous and masculine with charming geometric shapes and natural worn textures. It's great as a standalone sculpture, or as part of a collection. It's heavy with solid construction. A versatile piece that blends equally in traditional and modern minimalism interiors. Its charming allure pulls you in, the more you look, the more there is to love and appreciate. As a Curator and Interior Designer, these are the timeless qualities I seek – knowing it will transcend time, always in style, never trendy. A treasured find for collectors and enthusiasts of unique and one-of-a-kind pieces.
