

LARGE OCTAGONAL CERUSED-OAK MIRROR

MIR-007

A beautiful octagonal wood mirror with a thick chunky stacked molded frame. The cerused-oak finish creates a soft neutral palette, a mix of light beige and taupe with white tones. It's ideal for layering over a wallpaper pattern being large and bold enough to hold its own. The glass has a nice beveled edge. It's classic and traditional with tailored geometric lines, the more you look the more there is to love and appreciate. As a Curator and Interior Designer, these are the timeless qualities I seek – knowing it will transcend time, always in style, never trendy. A great find for interior design enthusiasts of unique and one-of-a-kind pieces.
