

MODERN ART-DECO STYLE CERUSED OAK WOOD DESK

DES-002

A handsome French Art-Deco style cerused oak desk! Very glamorous having a modern cascading waterfall edge, allowing the cerused oak's natural beauty to be center stage. Mid-Century curves are offset with sleek white drawers and solid polished-chrome ring pulls. It has thick high-quality glass to protect the top. A back apron is ideal for concealing cords, drawers are generously sized with smooth glides. This desk stands the test of time for its classic high-style and design. As a Curator and Interior Designer, these are the timeless qualities I seek – knowing it will transcend time, always in style, never trendy. A treasured find for collectors and interior design enthusiasts!
