

MID-CENTURY STYLE WHITE GESSO COCKTAIL TABLE WITH ANTIQUE MIRRORED TOP

TAB-007

A white antique-mirrored Remy cocktail table with a nod of mid-century charm, made by Mr. Brown Home. It's sculptural, asymmetrical silhouette reminiscent of a softly contoured kidney shape, unique and engaging from every angle. Its smooth white gesso finish gives the frame and tapered legs a refined matte texture that contrasts beautifully with the smoked antique mirror top, adding depth and a hint of vintage elegance. Supported by three sleek legs, the table feels both grounded and airy, making it easy to place in contemporary and transitional interiors alike. The thoughtful combination of organic form, reflective surface, and minimalist design is perfect for interior design enthusiasts, especially great for smaller areas!
