

BEAUTIFUL, OLD WORLD MARBLE VASE

VES-008

A handsome marble vase with beautiful dark and light greige-tones and patterns. The perfect accessory for tricky areas like kitchens (especially kitchen islands,) fireplaces, dining tables, outdoor areas, even bathrooms; a forever piece that is versatile and easy to place in your home. It's traditional in style and shape, the dark masculine palette makes it sleek and more modern. It's well made, very heavy and solid with a shallow interior inset. As a Curator and Interior Designer, these are the timeless qualities I seek – knowing it will transcend time, always in style, never trendy. A treasured find for collectors and interior design enthusiasts of unique and one-of-a-kind pieces.
