

UNIQUE CORNFLOWER BLUE & GRAY POTTERY

BALUSTER JAR

VES-003

This large hand-painted urn features a rare and beautiful blend of pale cornflower blue and gray tones, a unique color combination that is hard to find. It's a nice play on a traditionally bright blue-and-white pottery style, the muted pallet is soft and calming. The lotus flower and other floral motifs reflect a combination of English and traditional Chinese artistry. The lid has a charming foo dog figure. It's the perfect size for a large floral arrangement, ideal for center tables. Please note, there's a tiny, barely noticeable chip on the bottom, it doesn't affect the overall allure of this unique found piece. It's timeless and classic, perfect for collectors seeking one-of-a-kind pottery.
