

MODERN CERUSED OAK LIQUOR OR CURIOSITIES CABINET

CAS-002

A modern cerused-oak liquor or curiosities cabinet! The frame has a warm, dark blue-gray stain that looks black in certain light. The interior has a light blue-gray semi translucent stain creating a bold visual contrast. Glass doors encased in a modern angled frame with sleek aged-brass pulls. Standing on carved-angled legs, this cabinet is an exceptional piece of art. A great design that's both traditional and modern minimalist. Its allure pulls you in, the more you look, the more there is to love and appreciate. As a Curator and Interior Designer, these are the timeless qualities I seek – knowing it will transcend time, always in style, never trendy. A treasured find for collectors and interior design enthusiasts!
