

## VINTAGE BLUE & WHITE PATTERNED POTTERY JAR

VES-005

A pretty blue-and-white lidded jar with a timeless classic geometric floral pattern. A rich palette of deep blue and soft gray hues set against an off-white crackled glaze background. Both the jar and dome lid have a curvy soft floral shaped body, a pretty silhouette. The exact date it was made is unknown, it's at least 30+ years old. Over the last few years, this type of classic blue-and-white pottery has become increasingly harder to find. As a Curator and Interior Designer, these are the classic, timeless qualities I seek – knowing it will transcend time, always in style, never trendy. A treasured find for collectors and interior design enthusiasts of unique and one-of-a-kind pieces!
