

## LARGE MODERN GEOMETRIC MOSAIC TAPESTRY

TAP-004

A fabulous mosaic tapestry inspired by the work of Austrian artist, Gustav Klimt. Unique and one-of-a-kind embroidered textile patchwork mosaic, each fabric its own pattern. The tapestry is divided into a modern grid-like composition, giving it a structured eclectic aesthetic. It's huge (85"H x 115"W) making it a perfect statement piece and focal point, it can transform traditional and modern minimalist interiors alike. It pulls you in, the more you look, the more there is to love and appreciate. As a Curator and Interior Designer, these are the unique qualities I seek – knowing it will transcend time, always in style, never trendy. Perfect for art collectors and interior designers looking for a great standout statement piece of art!
