

SET OF BLUE-AND-WHITE PATTERNED PORCELAIN SIDE DISHES OR BOWLS

SER-012

Set of four floral painted blue-and-white bowls or side dishes, great for appetizers or desserts. They would be pretty hung on a wall as a matching collection, creating a cohesive unified pattern. A beautiful monochromatic palette - navy and cornflower blue on an ivory base. A geometric checker pattern grounds and anchors floral motifs. They could be used for soap dishes or catch all plates for jewelry. Great for hosting or using in unconventional ways!
