

LARGE MODERN GEOMETRIC MOSAIC TAPESTRY

TAP-004

Embroidered patchwork mosaic tapestry inspired by the work of Austrian artist, Gustav Klimt. The tapestry is divided into a modern grid-like composition, giving it a structured eclectic aesthetic. A large, artistic statement piece that can transform traditional and modern minimalist interiors alike. As a Curator and Interior Designer, these are the unique qualities I seek – knowing it will transcend time, always in style, never trendy. Perfect for interior design enthusiasts looking for a standout statement piece of art!

We know, it's hard to find, one-of-a-kind pieces! Shop our listings for new inventory, curated from an Interior Architect and Designer's POV. THE TASTEMAKER SHOPPE offers an exclusive mix of 'new & old' furnishings, founded solely on good taste, not limited by any style or era.
