

SLEEK ITALIAN PARQUETRY INLAY WRITING DESK, MADE IN ITALY

DES-006

A writing desk with sleek feminine curves and a modern edge, hand-crafted in Italy. A classic traditional design offset by sleek architectural details – both desktop and drawer are flush, seamlessly blending into the smooth silhouette of the base. A parquetry inlay top arranged in a geometric pattern that showcases its beautiful wood grain patterns and rich patina. The traditional-modern juxtaposition reminds one of Rose Tarlow's aesthetic. Its petite refined proportions are especially versatile, allowing it to serve as a glamorous writing desk, make-up vanity, foyer console and more. As a Curator and Interior Designer, these are the timeless qualities I seek – knowing it will transcend time, always in style, never trendy. A treasured find for collectors and interior design enthusiasts!
