

LARGE OCTAGONAL CERUSED-OAK MIRROR

MIR-007

Octagonal cerused-oak mirror with a thick chunky stacked molded frame and beveled glass. The cerused-oak finish has a soft neutral palette, a mix of light beige and taupe with white tones. It's ideal for layering over a wallpaper pattern being large and bold enough to hold its own. It's classic and traditional with tailored geometric lines, the more you look the more there is to love and appreciate. A great find for interior design enthusiasts of unique and one-of-a-kind pieces.
