

SYRO TABLE LAMP WITH MURANO GLASS, DESIGNED BY LAURA KIRAR

LAM-018

Syro Table Lamp designed by Laura Kirar, exclusively for Baker Furniture. A chic polished-bronze, solid, heavy-weight base with sleek, linear, arched lines, and suspended hand-blown Italian Murano glass discs with gold detailing, hanging from delicate brass chains. Topped with a Murano glass finial and a translucent-silk shade that emits a soft warm glow. This lamp is no longer in production, making it even more "specialty and found." Laura Kirar is a well-known sculptor, interior and product designer. Her work has been featured in prestigious magazines - Architectural Digest, Elle Décor, House Beautiful, Veranda, Vogue Living, Women's Wear Daily, Time Magazine, Wallpaper, The New York Times and more. As a Curator and Interior Designer, these are the unique design qualities I seek - knowing it will transcend time, always in style, never trendy. A great find for collectors and interior design enthusiasts of unique and one-of-a-kind pieces!
