

## PAIR OF FOUND ASIAN-NEOCLASSICAL STYLE EMBOSSSED BRASS DRAGON URNS

VES-010

A pair of exotic dragon handled urns with etched Neoclassical Greek keys and Asian floral motifs having a fabulous and unusual all white palette! Made of brass, solid and sturdy enough to hold tall heavy weighted floral and branch arrangements. They would be cool and unexpected in a foyer, ideal for tricky areas in need of art and anchoring accessories. As a Curator and Interior Designer, these are the timeless qualities I seek - knowing they will transcend time, always in style, never trendy. A treasured find for collectors and interior design enthusiasts of unique and one-of-a-kind pieces!

We know it's hard to find one-of-a-kind pieces! Shop our listings for new inventory curated from an Interior Architect and Designer's POV. THE TASTEMAKER SHOPPE offers an exclusive mix of furnishings founded solely on good taste, not limited by any style or era!
