

PAIR OF NEOCLASSICAL VERSACE-STYLE BRASS MEDUSA & LION HEAD SCONCES

WAL-009

Fabulous pair of Neoclassical candle sconces with Versace-style Medusa and lion heads. Cast iron in the manner of Gio Ponti and Tomaso Buzzi surrealist arrow motifs. Angled arms are wrapped in acanthus leaves, candleholders have wonderful floral motifs on the underside. The finishes are most excellent and unusual together - "autumn gold," a rich brown with rose and auburn undertones layered with aged-brass accents. Classic Parisian high-style, a timeless appeal that's chic and glamorous! As a Curator and Interior Designer, these are the timeless qualities I seek – knowing it will transcend time, always in style, never trendy. A treasured find for collectors and interior design enthusiasts of unique and one-of-a-kind pieces.

Please note, these are non-electric candlesconces
