

PAIR OF ART-DECO CHESTS

CAS-001

A sleek, sexy pair of Art-Deco chests wrapped with exotic wood, glossy lacquer-finish and polished-chrome hardware. Macassar-ebony veneer patterns aligned to perfection from every angle with black lacquered legs merging gracefully into a sculptural plinth base. Having perfect symmetry and scale architecturally inspired by mid-century Art-Deco skyscrapers. It's incredibly rare to find a matching pair like these! These chests are early 20th C. and are newly re-lacquered, small scratches in the wood veneer were lightly sanded and repaired. Please note, drawer interiors are in original condition, see pics as some have light cracking on the interior side of the drawer panel. Chic and timeless they blend in almost any high-style setting... from New York to Texas. They pull you in, the more you look, the more there is to love and appreciate!
