

ARTESIAN CONCRETE BOWL

SER-003

A modern, artesian concrete bowl/plate. Handcrafted, solid concrete, this decorative piece is heavy and substantial. It's chic and understated with its subtle textures and natural gray tones, perfect for minimalist, modern & traditional interiors. It's also a great outdoor accessory! As a Curator and Interior Designer, these are the timeless, design qualities I seek – knowing they will transcend time, always in style, never trendy. A treasured find for collectors and enthusiasts of unique and one-of-a-kind pieces.

We know, it's hard to find, one-of-a-kind pieces! Shop our listings for new inventory, curated from an Interior Architect and Designer's POV. THE TASTEMAKER SHOPPE offers an exclusive mix of *'new & old'* furnishings, founded solely on *good taste*, not limited by *any style or era*.
