

## PAIR OF TAUPE LEATHER, SKIRTED SLIP-COVERED VERELLEN CHAIRS ON CASTERS

CHA-010

A lovely pair of soft taupe-leather skirted slip-covered chairs, made by Verellen. These Verellen chairs are no longer in production, making them more "specialty and found." Hand-crafted with premium construction having Verellen's signature knife-edge and double-needle stitching details. The beautiful soft taupe leather has (neutral) warm and cool tones making them versatile and easy to place in most interiors palettes. The tailored pleated skirt further enhances their sleek silhouette with understated elegance. Equipped with caster wheels. As a Curator and Interior Designer, these are the timeless, design qualities I seek – knowing they will transcend time, always in style, never trendy. A treasured find for collectors and interior design enthusiasts!
