

## SYRO TABLE LAMP WITH MURANO GLASS, DESIGNED BY LAURA KIRAR

LAM-018

Syro Table Lamp designed by Laura Kirar, exclusively for Baker Furniture. A masculine and glamorous polished-bronze, solid heavy-weight base with sleek linear arched lines having suspended hand-blown Italian Murano glass discs with gold detailing hanging from delicate brass chains. Topped with a Murano glass finial and a translucent-silk shade that emits a beautiful soft warm glow. An artistic blend of shapes and materials! Its chic allure pulls you in, the more you look, the more there is to love and appreciate! This exclusive lamp is no longer in production, making it even more "specialty and found." Laura Kirar is a known sculptor, interior and product designer. Her work has been featured in prestigious magazines - Architectural Digest, Elle Décor, House Beautiful, Veranda, Vogue Living, Women's Wear Daily, Time Magazine, Wallpaper, The New York Times and more. As a Curator and Interior Designer, these are the unique design qualities I seek - knowing it will transcend time, always in style, never trendy.
