

## PAIR OF ART-DECO CHESTS

CAS-001

A tall sleek pair of sexy Art-Deco chests wrapped with exotic wood veneer, glossy lacquer finish and polished-chrome hardware. Having perfect symmetry and scale architecturally inspired by mid-century Art-Deco skyscrapers. Macassar-ebony veneer patterns are aligned to perfection from every angle with black lacquered legs merging gracefully into a sculptural plinth base. Chic and classic they blend in almost any high-style setting... from New York to Texas. They pull you in, the more you look, the more there is to love and appreciate. As a Curator and Interior Designer, these are the timeless qualities I seek – knowing it will transcend time, always in style, never trendy. A treasured find for collectors and interior design enthusiasts of unique and one-of-a-kind pieces!
