OBJ-019

Vintage Gucci tennis racket cover, a fabulous collector's item epitomizing the 70's and 80's high-style with Gucci's iconic monogram pattern and signature stripe! A vintage Wilson wooden tennis racket adds even more nostalgia. Perfect for tennis enthusiasts! It would be so chic to display a collection of vintage couture tennis rackets in your home gym, pool house, summer home, or inside a large closet area, etc. It would look great in a teen room for an 'inherited' look. This surely belongs to someone that has individual style and personality! As a Curator and Interior Designer, these are the timeless qualities I seek – knowing it will transcend time, always in style, never trendy. A treasured find for collectors and enthusiasts of unique and one-of-a-kind pieces.
