

## FRAMED STILL LIFE

ART-031

A beautiful chunky antique gold framed still life oil painting of fruit, wine, and pottery. The blue-and-white pottery vase makes it more special and unique, the perfect touch! The overall palette is rich, dark and moody, the fruit creates a soft vibrant contrast on-top of an old wood cutting board. The dark moody palette keeps it from feeling too "granny", it gives it a more modern edge! It's a great piece for your kitchen, dining room, or any room in need of traditional art. Please see our other oil painting listing "Framed Still Life oil painting of Chicken Farm". It was acquired from the same estate, having the same frame. They make a beautiful set!

We know, it's hard to find, one-of-a-kind pieces! Shop our listings for new inventory, curated from an Interior Architect and Designer's POV. THE TASTEMAKER SHOPPE offers an exclusive mix of 'new & old' furnishings, founded solely on good taste, not limited by any style or era.
