

CUSTOM PAIR OF LEOPARD PRINT EURO PILLOWS

TEX-006

A fabulous Pair of Euro Pillows, made exclusively for THE TASTEMAKER SHOPPE! In excellent new condition, wrapped in Thibaut's sexy leopard print fabric, "Amur/Colorway: Gold" (exclusive to the trade). These leopard patterned pillows are sophisticated and tailored with a contrasting, rich espresso-brown, flange edge detail. Glamorous, high-style and one-of-a-kind!

The Leopard fabric is practical and durable (60,000 Martindale/abrasion test score.) The reverse is a plush cream linen-velvet blend with high-performance stain protection, making these pillows practical without sacrificing style.

They have premium alternative down inserts that mimic the luxurious feel, weight, and loft of real feather-and-down. This fill is perfect for those with allergies or sensitivities, providing the same plush experience without any of the common drawbacks of traditional down. Please see our other listing – A lumbar Throw Pillow made with this same fabric and insert.
