

## PAIR OF PARISIAN ART DECO LANTERN SCONCES

SCO-004

A rare, sleek pair of Parisian-Art Deco sconces with black arched perforated metal and contrasting brass architectural elements. These can be paired with most interior styles and eras. They create a surprising twist in a traditional or French Country setting, see installation pic for inspiration. They would be great layered in a modern beach house. Timeless and classic. Their chic Mid-Century allure pulls you in, the more you look, the more there is to love and appreciate. As a Curator and Interior Designer, these are the timeless qualities I seek – knowing it will transcend time, always in style, never trendy. A treasured find for collectors and enthusiasts of unique and one-of-a-kind pieces.
