

## PAIR OF MID-CENTURY FRENCH CHINOISERIE STYLE BAMBOO PEDESTAL STANDS

PED-001

Rare pair of French Chinoiserie-style pedestal stands with slender hand-forged metal frames, hand-painted mimicking the look and texture of natural bamboo. The combination of geometric lines and rich black-gold palette captures the spirit of the Art Deco era - stylish, modern and glamorous. Perfect for your entry or any interior space needing a bit of high-style glamour and curiosity! Much like sconces they add symmetry and balance, particularly in small areas! They would be very cool and unexpected in an outdoor (covered) cabana! Heavy-duty, they can support weighted objects. As a Curator and Interior Designer, these are the timeless qualities I seek - knowing it will transcend time, always in style, never trendy. A treasured find for collectors and enthusiasts of unique and one-of-a-kind pieces.
