

## GRAND TOUR STYLE MARBLE PATTERN IN RESIN DRINK OR SIDE TABLE

TAB-037

Grand Tour-Style Marble Pattern in Resin Top Drink or Side Table with Mid-Century nickel-plated tubular legs. A chic lightweight portable TV-tray table, no need for coasters! Perfect for "boozy book club nights" - times when you need a smaller table for snacks, cocktails, tipsy guests, or everyday life. Its foggy, partial see-through resin top looks different from room to room - as the floor changes... so does the background color. I captured the subtle color variance - pic with white chair and wood floor showing different background palettes. Great find for entertaining and all around socializing!
