

## PARISIAN-CHIC MADELEINE CASTAING-STYLE WICKER & RATTAN CHEST

CAS-006

Parisian-chic Madeleine Castaing style wicker and rattan chest, a particular style that's rare, hard to find! A graceful silhouette with curvy braided edges and open light-and-airy scrollwork. A chic-bohemian statement piece. It could be used as a dresser, storage chest, or bar—with a tray on top and art or a mirror above it. Made in Hong Kong, internationally known for its exquisite hand-crafted wicker and rattan furniture production during the 20th century. As a Curator and Interior Designer, these are the timeless qualities I seek – knowing it will transcend time, always in style, never trendy. A treasured find for collectors and enthusiasts of one-of-a-kind pieces that bring unique style and personality to your home.
