

MID-CENTURY ART-DECO STYLE CONSOLE WITH IRON SUNBURST MOTIF AND GRANITE TOP

CON-002

A fabulous Mid-Century Giacometti inspired console table! A hand-forged sculptured metal base with a hammered texture. At center, a bold sunburst motif, a classic Art-Deco design and sculptural focal point. The polished black-granite top is honed on the sides. With its narrow profile measuring just six inches in depth, it is ideal for tight spaces - consoles this narrow are very rare and hard to find! A versatile style that blends with both traditional and modern minimalist interiors. As a Curator and Interior Designer, these are the timeless, design qualities I seek – knowing they will transcend time, always in style, never trendy. A treasured find for collectors and interior design enthusiasts of unique and one-of-a-kind pieces.
