OBJ-024

A glamorous Art-Deco style accessory box with aged-brass etched and sculptured ginkgo leaf pattern on a sleek glossy black wood plinth base, designed by Laura Kirar. Very heavy-weight and solid. This limited-edition piece is no longer in production, making it more "specialty and found." Laura Kirar is a known sculptor, interior and product designer. Her work has been featured in prestigious magazines - Architectural Digest, Elle Décor, House Beautiful, Veranda, Vogue Living, Women's Wear Daily, Time Magazine, Wallpaper, The New York Times and others. As a Curator and Interior Designer, these are the qualities I seek - knowing it will transcend time, always in style, never trendy. A treasured find for collectors and enthusiasts of unique and one-of-a-kind pieces.
