

## FRENCH PROVINCIAL HAND-CARVED BLEACHED OAK BAR OR CURIOSITY CABINET

CAS-003

Beautiful French-Provincial bleached-oak curiosity or liquor cabinet, a versatile timeless piece. Solid hand-carved oak with a pale worn-in patina, sun-drenched and bleached by salty Mediterranean Sea air along the French Riviera coastline. It has sophisticated and casual lived-in coastal charm that originated from and is mostly found in rural French provinces such as Provence, Normandy and Brittany. No doubt about it - it's a timeless classic European piece that just gets better and better with age! It's ideal for organizing tableware, linens, or spirits. As a Curator and Interior Designer, these are the unique qualities I seek - knowing it will transcend time, always in style, never trendy. A treasured find for collectors and interior design enthusiasts!
