

PARISIAN STYLE HAND-FORGED METAL & GLASS TRAY TABLE FLOOR LAMPS

LAM-023

Fabulous pair of tray table floor lamps! Hand-forged metal in warm bronze-copper finish with gently flared cream-silk shades that emit a soft, ambient glow. Thick glass tabletops are especially great for tight spaces! The two lamps are nearly identical, being hand-forged there is a very slight/minimal variation in the tabletop's height. The height difference is subtle and virtually unnoticeable, especially when placed on opposite sides of a sofa. Charming, one-of-a-kind pair of table lamps. As a Curator and Interior Designer, these are the timeless qualities I seek – knowing it will transcend time, always in style, never trendy. A great find for interior design enthusiasts seeking one-of-a-kind pieces!
