

HAND CARVED SOAPSTONE CATTLE STATUE

OBJ-008

A found soapstone cattle statue, carved with realistic details captured in the cattle's face, bringing the statue to life with its expressive features and gentle demeanor. Though the statue has undergone minor repairs to its tail, this subtle restoration only adds to the piece's antiquity charm.

We know it's hard to find one-of-a-kind pieces! Shop our listings for new inventory curated from an Interior Architect and Designer's POV. THE TASTEMAKER SHOPPE offers an exclusive mix of furnishings founded solely on good taste, not limited by any style or era!
