

## A PAIR OF PILLOWS, MADE WITH MICHAEL S. SMITH'S “INDIAN FLOWER” PATTERNED LINEN

TEX-008

A custom pair of throw pillows made exclusively for THE TASTEMAKER SHOPPE! The fronts are wrapped with a Michael S. Smith textile from his Jasper Collection called "Indian Flower" - a hand-crafted block print linen, using old world techniques to create artisan textiles. Tailored flange-edge with pinch-pleat corners in a rich lush caramel-colored velvet. A one-of-a-kind unique pair, each pillow has a lead edge making them a left-and-right sided set.

Michael S. Smith is one of the most esteemed talents in the design industry today, known for blending European classicism and modernism. His work is layered and tailored with casual refinement. His A-List clients include the White House for President and First Lady, Barack and Michelle Obama, Steven Spielberg, Cindy Crawford, Dustin Hoffman, George Clooney, Harrison Ford, and Rupert Murdoch. Early in his career, Smith apprenticed under legendary antiques dealer Gep Durenberger and iconic designer John Saladino. A treasured find for collectors and interior design enthusiasts.
