

RARE, LARGE ANTIQUE ENGLISH JARDINIERE WITH BRASS ETCHINGS AND LION HEADS

VES-006

Rare, English 19th-century brass jardinière with beautiful etchings and hand-crafted details, floral motifs, coat of arms, chunky ornate lion head ring-handles, and a trio paw-foot leg base. A perfect tarnished brass patina that only time can produce. Sturdy and heavy duty, this planter can be used for large plants or small trees like a fiddle leaf fig, olive tree, or even a Christmas tree during the holidays. Tip: insert a sturdy plastic paint bucket, full of water for Christmas tree install- it's easy and very practical. It has a few small minor holes near the bottom, which are discreet. A unique piece for brass collectors and interior design enthusiasts!
